TREALITY JOB DESCRIPTION: Cost Accountant

Are you looking for an exciting career in Defense and Aerospace? TREALITY® Simulation Visual Systems welcomes people who share our determination and high standards to join us in doing work that moves the world forward and saves lives. TREALITY® SVS has a diverse culture that celebrates autonomy and inspires leadership at every level of our organization.

TREALITY® SVS is looking for a Cost Accountant to join our team and make a difference.

The Cost Accountant is responsible for supporting the overall effectiveness of the financial functions within the organization. The Cost Accountant will apply cost effectiveness and revenue optimization measures and maintain accurate and reliable financial accounts that are available on a timely basis. This person will report to the Vice President of Finance.

Main Accountabilities:

- Lead in establishing, updating, monitoring, and analyzing Project-based budget and cost control reports, as well as revenue recognition.
- Oversees forecasting of project-based revenue and costs for annual budgets and monthly forecasting.
- Support sales during the proposal effort with cost estimation and gross margin reviews.
- Oversee inventory costing and valuation, including E&O and finance lead for physical counts.
- Assist with annual overhead and labor rate calculations and review and update periodically.
- Assist with month-end and year-end close process.
- Lead variance reporting and assist with cost saving initiatives.
- Effectively collaborate with colleagues and project team members.
- Other projects as assigned by management.
- Must be US Person.

Education:

- Bachelor's degree in Finance or Business or combination of education and experience.

Experience:

- Minimum of 2-5 years' experience in a similar position.

Competencies:

- Experience in integrated corporate financial systems, reporting tools, and database management systems. Knowledge of Microsoft Business Central is a plus.
- Experience in effectively managing inventory.
- Experience in Project-based reporting.
- Ability to drive accountability results within the organization.
- Organized individual with the capacity to handle multiple projects simultaneously, work well under pressure, and to prioritize work effort, all with minimum supervision.
